

## TOUGH TRENCHLESS TOOLS

**High Quality Tools Specifically Designed For Use In The Installation Of:**

- Water and Gas Services
- TV, Hydro and Telephone Cables
- Irrigation and Lighting Systems
- Computer Network and System Security Cables

Footage Tools' pneumatic piercing tools have been constructed with the highest level of quality in mind.

All **BIG SHOTS** are CNC machined to exact dimensional tolerance from a solid billet of nickel chromoly steel and fully heat treated for superior strength and durability. Our pistons are designed to withstand high impact conditions, are wear resistant and treated with a phosphate coating to minimize corrosion and increase service life.

Other features include an easily replaceable cartridge style shock absorber and a flexible air tube assembly to minimize internal deflection.

## Model Specifications

Model	Dia.	Weight	Length	Avg. Air Consumption
U215	2"	23 lbs	35"	25 CFM @ 80-100 PSI
U262	2.5"	56 lbs	55"	50 CFM @ 90-110 PSI
U300	3"	75 lbs	55"	50 CFM @ 90-110 PSI
U400	4"	108 lbs	59"	75 CFM @ 90-110 PSI

## Accessories

Part Number	Description
L110-A001	11 oz. in-line lubricator for optimal lubrication of tool.
L300-4L	4 litres of synthetic lubricant prevents icing, wear and corrosion.
U50-A1	50' air hose, rubber coated steel braid construction for added life span.

Part	Compatible Model and Part Number
Expanders	4.5" dia. for U300 (U300-27) 5.5" dia. for U400 (U400-28)
Cutting Head	U300 (U300-33)
Pipe Puller Extension	For 2" PE Pipe U300 (U300-21)
Tailpiece Pulling Cable	U262 and U300 (U300-26)
Tailpiece Wrench	U215 (U215-23), U262 (U262-23), U300 (U300-23), U400 (U400-23)

						
U50-A1	L110-A001	L300-4L	U300-26	U300-27	U300-33	U300-21
